**Grades 6-8**

Beginning this school year, students in grades 6-8 will be graded based on the following rubric:

\*Students will be graded in 2 areas each quarter that will be averaged together to create their quarter grade (Activity 80% and Comprehension 20%)

- For the **activity** portion of a student's grade, students will be given a grade each day out of 3 points. At the end of each quarter, a student's daily point total will be added up and averaged out of their possible point total, creating their activity grade.

  - 0 points = Student chooses to sit out of class activity OR students behavior results in the removal from class.
- For the **comprehension** portion of a student's grade, students will be given short quizzes during the quarter that will be graded and averaged together.
